

January 2010

Dear Parent or Carer,

Year 8 English Project – “Our House”

Your child’s English class are involved in a project through our creative partnerships programme which involves working with a theatre group “feeling good theatre”. The project is about developing creative writing through the idea of the way families interact.

Some of the project work will take place off site, at a house that Pendle Borough council have donated for this purpose. The house is at 23 Belgrave street in Nelson. When going to the house, students will be accompanied by myself and a member of the “feeling good theatre” group. They will be working in small groups of no more than 14. On some occasions, your child may be asked to meet us at the house at the start of the college day. This will allow us to get the maximum time with the theatre group. This will take place on a Friday morning, and I will make sure your child knows when this is by communication through the student planner.

We plan to put on a short production at the end of the project, and we will be inviting parents and other guests to this. Please ask your child about the project as it develops – it promises to be an exciting and memorable experience.

If you have any concerns or questions about the use of the house, or the project in general, please do not hesitate to contact either myself or Mr Renshaw at the college.

Many thanks for your support,

Mrs K Thornley
(English teacher)

Mr M Renshaw
(Assistant headteacher)
