

Careers Provision at Pendle Vale College

Nasima Riazat, Head of Careers & Employability is our named Careers Leader at Pendle Vale College. She is a Level 6 qualified Careers Adviser and Careers Leader with over 14 year's experience in the careers and education sector and is passionate about enabling our students to get the best preparation for the world of work. Pendle Vale College focuses on ensuring students are equipped with lifelong career management skills to enable them to tackle challenges positively within the fast changing environment of employment.

Every student at Pendle Vale is entitled to impartial careers education, information, advice and guidance (CEIAG). We recognise that providing our students with the right opportunities will increase their aspirations and ensure they are ready for the world of work.

Students will leave Pendle Vale College having had contact with high-quality and impartial careers information and guidance. This will enable them to get the most out of their learning and to enable successful progression to further education or training and to have a clearer focus on their career goals.

Students

During your time at Pendle Vale College, you will get a range of support in various forms. This can include 1:1 career guidance, PSHE sessions, trips, work experience, speakers, a careers fair, assemblies, input from local Colleges, training providers and universities and much, much more.

If you would like to book a Careers Appointment and to discuss your future ambitions, please email Dr Riazat on n.riazat@pendlevale.lancs.sch.uk

Parents

We understand the challenges faced when trying to support your son/daughter to make the best decision for their career ambitions. Pendle Vale College offers you, as parents, the chance to receive up to date information and guidance to ensure you are aware of all the options available.

Nasima attends all options and parents' evenings and is available to provide both students and parents with up to date Career information.

If you wish to speak to Nasima directly, please contact her on n.riazat@pendlevale.lancs.sch.uk

Here is a selection of websites that you and your child might find helpful:

www.careerpilot.org.uk for researching career options for 13-19 year olds.

icould.com for up to date Labour Market Information.

www.getingofar.gov.uk Information about Apprenticeships.

www.ucas.com for information on Higher Education and University.

www.notgoingtouni.co.uk for alternative to University.
